## Our Mission:

**Called to be shepherds, doing God's work, daily.**

September 20, 2021

Dear people of God at English Lutheran,

This past seventeen months have taught me a great deal about myself and the world around me. One of the greatest lessons I have come to realize is the need to have family close by. While you have been like a huge extended family to me, the reality is my wife and I need to be nearer to our parents, brothers, sisters, and nieces. I have spent the last summer in discernment about my gifts in ministry and how God might use them to serve God's kingdom.

I have accepted a call position near Hudson, WI, 30 minutes away from both of our families.

At the same time, I am grieving the end of my ministry at English Lutheran and St. John's Lutheran Church and serving the people of God here. St. John's was my first call. Together, you have taught me how to be a pastor and for that I will always be grateful. I have come to love each of you and I will miss my "family" here.

My last Sunday at English will be October 17<sup>th</sup> and my last day in the office will be October 25<sup>th</sup> 2021. It has been my privilege to serve as your pastor for the past nine months.

Following the Holy Spirit is not easy! Change is challenging but it creates opportunities to grow and find new ways in which we experience Jesus Christ. You will be in my prayers through this transition and excited to think of the amazing opportunities that will be created through the season of shared gifts and talents in the new partnerships of Medina, Trinity, and with various churches in the surrounding community of Jamestown.

When I first started here, many people asked me why I came. I gave them the vague answer of being placed here as a new pastor would. Through you I was fed by the Holy Spirit, given the grace of God to nurture my gifts, and found this as a safe place to make mistakes. For these reasons and many more I will forever be thankful. You all have the ability to change others people's lives, the same way you have changed mine. "May the Lord make your love increase and overflow for each other and for everyone else, just as (you have done for me.)" 1 Thessalonians 3:12.

Blessings,

Pr 

Pastor Lucas and Rachel Holsten

One of the joys of the partnership we share with St. John's and Trinity is that there are multiple leaders working together to serve all three congregations. One of the challenges of the partnership is that a change in one congregation is felt by all the congregations.

As he noted in the letter on page two, Pastor Lucas Holsten who preached and led worship during the months that Pastors Kristi and Erik Weber were on sabbatical has accepted a call near Hudson, Wisconsin, so he and his wife, Rachel, can live closer to their families.

He will preach at English on October 17 so there is another opportunity to hear him and to offer your thanks and well wishes to him.

The on-going commitment to the partnership of English, St. John's, and Trinity continues.

Pastors Susan Haukaas, Erik Weber and Kristi Weber will continue serving as we have been doing since February.

We hold one another in prayer as we look for what God is doing in our area and how we can join in.

In Peace,

Pastor Kristi Weber
